

# ***Pali Blues Soccer Club Summer Camps***

## **Striker / Goalkeeper Camp Registration Form 2010**

### **Who are the Pali Blues?**

We are the back-to-back national champions of women's soccer in the USL W-League, a collection of some of the top up-and-coming women's soccer stars in the world. Our players are Olympians, NCAA All-Americans and, most importantly, *outstanding role models for the girls and young women of our community.*

### **What is a Striker / Goalkeeper Camp?**

Designed for two of the most specialized positions on the field, Striker / GK Camp gives developing players a chance to hone the skills specific to their role on the field. Each morning the campers will split into their designated disciplines – Goalkeeper or Striker (Goalscorer) – with two hours dedicated to technical training. After lunch, campers will reunite for an hour and a half with Strikers pitted against Goalkeepers (in age-appropriate groups) for a variety of fun shooting, crossing and breakaway games.
